

## **Therapist/LCSW (Part-Time) Job Description**

### **Overview**

Family Service of Lake County is seeking to hire a part-time licensed clinical social worker (LCSW) who is enthusiastic and creative to provide direct clinical services to individuals, couples and families. We are in search of a dedicated, ethical and compassionate therapist to provide quality behavioral and mental health treatment to area residents in our Highland Park office. Our organization is known for its high standard of clinical services.

We are seeking a part-time therapist to partner with clients addressing diverse clinical issues. This is a wonderful opportunity to join a strong clinical team and be a part of a thriving organization.

### **Position Responsibilities**

- Provide direct clinical services to clients across the lifespan, including conducting diagnostic assessments, and developing treatment plans collaboratively with clients; provide local in-home sessions, as needed
- Document all clinical services, including collaborative contacts, in electronic health (EHR) system daily
- Complete client outcome measures for funding partners and client service evaluation
- Position is hourly, 8-20 hours a week
- Participate in clinical supervision; attend staff meetings

### **Job Requirements**

- LCSW preferred; not an entry level position
- Minimum of 3 year's clinical experience working with clients across the lifespan in an outpatient setting.

FSLC offers a supportive work environment. Hourly compensation rate is commensurate with licensure and experience.

### **To Apply**
